

- 1. Logistics:** This collection of short stories will rehearse in person and be filmed at the Xclaim! Center at 502 College Street, Bowling Green, KY 42101 to create a pay-per-view virtual theatre experience for an at-home audience. Actors will rehearse and film in duos or small groups with social distancing and proper face coverings. Ages 7 and older may audition.
- 2. Capacity:** Participation will be limited to ensure complete social distancing the entire time. A maximum of 24 students will be accepted per class group. Staff will be limited. During short rehearsals with very small groups, the parent/guardian/driver of the cast member may accompany their child and observe IF they follow all the guidelines in this document. No other individuals will be allowed inside the building.
- 3. COVID Testing:** Staff are expected to obtain regular tests for COVID-19 and share negative result.
- 4. Stay Home Sick Policy:** Cast/Crew and staff agree to stay home if they have been diagnosed with COVID-19 or have been in close contact with someone who has been diagnosed or are experiencing COVID-19 symptoms: **fever, chills, cough, shortness of breath, difficulty breathing, fatigue, muscle or body aches, headache, loss of taste or smell, sore throat, congestion, runny nose, nausea, vomiting, and or diarrhea.** If you have been asked to quarantine by local health officials, you are expected to stay home and not attend class in person.
- 5. Drop Off:** Young people will NEVER be left on premises without receiving affirmation of acceptable symptom screening each day. Actors and a driver will stay in their vehicle until directed to come inside. Symptom and contact screening questions will be asked periodically. Actors and drivers are asked to bring no more than one bag of personal belongings. Everyone must get a temperature check upon entering the building and then wash hands. Proper cloth face coverings are required to be inside the building unless arrangement are made to use a face shield instead.
- 6. Daily Screening:** Actors and drivers will undergo daily COVID-19 symptom screening before entering the building each rehearsal day. Screening includes questions about symptoms and temperature check. Anyone who reports or exhibit any of the above listed COVID-19 symptoms will not be able to attend class without a doctor's note indicating a non-contagious, non-COVID19 explanation. Anyone whose temperature is between 100.0° – 101.0° will be allowed to cool off inside in an isolated room for 5 minutes before a second scan. If the second temperature check is still high, they will be immediately dismissed and directed to seek medical care. Screening staff will wear gloves, mask and face shield and will open door for others to prevent touch.
- 7. Physical Distancing:** ALL cast, crew and staff members will keep a minimum distance of 6' between themselves and others at all times. Pre-entry screening may require a momentary violation of this rule to complete a temperature check, but all other interaction, games, rehearsals and activities will require a minimum of 6' space. Each actor and their driver will be assigned a space in the building as a home spot to ensure safe distance. Drivers are required to stay at the home spot during the rehearsal. Onstage action will be carefully crafted to ensure distance standards. One-way paths will indicate directions to bathrooms or other areas as necessary. Colored floor markings will indicate 6' distance in any group area or lines.
- 8. Hand Hygiene and Respiratory Etiquette:** Everyone will be asked to wash hands with soap and water for at least 20 seconds upon entry. FDA approved hand sanitizer will be available at all times. Everyone will be encouraged to cover coughs and sneezes with a tissue. Facial tissue will be available. Used tissues will be immediately thrown into the trash and hands washed immediately with soap and water.
- 9. Personal Protective Equipment (PPE):** Everyone is required to wear a proper cloth face covering to enter the building. Cast members may wear a face shield instead of a mask for rehearsal. Cast members will be issued one clear face shield and are required to bring them to every rehearsal. Drivers may also wear a face shield instead of a cloth mask when seated at their home spot, but a cloth mask is required for drivers when they are moving around in the building. Drivers may purchase a face shield for \$3.00 each. If a cast member forgets, loses, breaks or damages a face shield, they will be charged for a new one. Masks are available for \$2.00 each. Face shield can be cleaned with soap and water, or proper cleaners applied to a cloth then wiped. Shields will be sent home to parents with a shield carry bag.
